HONOR ROLL OF GIVING

CHILDREN'S

SPECIALIZED HOSPITAL

FOUNDATION

*Children's Specialized Hospital
Foundation is proud to honor its
most generous donors.*

*Through their annual giving,
they demonstrate their commitment
to our mission and help bring hope
to thousands of special needs
children and their families.*

*Join us in paying tribute to their
selfless generosity.*

DEAR FRIENDS,

Last year was one of great progress and momentum. Despite the difficult economic environment, our special events and fund-raising programs were successful. From our Annual Umbrella Gala to our newest golf outing just for women to our recent lobby and playground grand opening, you — our supporters — turned out to show your commitment to the nearly 10,000 children treated at Children's Specialized Hospital each year.

The year will not be remembered without paying tribute to the hospital's president and CEO Rex Riley, who passed away suddenly in the spring of 2003. Rex's vision and commitment to doing what's best for the children of New Jersey created numerous opportunities for the Foundation to involve donors and volunteers in our mission. Rex was a friend to children above all else. He will be greatly missed, and his spirit lives on through the works of Children's Specialized Hospital.

As we look back on the year, it is the generosity of countless individuals and organizations, including those listed in this Honor Roll of Giving, that helped our clinical staff serve growing numbers of children with acute rehabilitative needs. Your gifts have allowed us to add clinical capabilities, improve our facilities, and reach more of the patients and families who need our services. Thank you all for your support of our fund-raising efforts.

As we continue to grow in response to the needs of our communities, the coming year promises to bring new challenges and opportunities. The Foundation is moving forward on the second phase of a donor awareness campaign, which will help improve public understanding and support of our mission. In addition, several special events are planned, including three golf outings and our yearly Umbrella Gala, as well as a series of seminars on estate planning and various other fund-raising programs with our many philanthropic and corporate partners.

Your commitment to our efforts is crucial to our continued ability to serve the children of New Jersey. I look forward to doing great things together as we build for future generations. Thank you again for your support.

Warm regards,

Philip Salerno III
Executive Director

Children's Specialized Hospital Foundation
